DAY 2 ADELAIDE TO KANGAROO ISLAND

Thursday 27 October 2022

We have an early start as we make our way to **Cape Jervis** for our ferry to **Kangaroo Island**. On arrival we travel to the most eastern point of the island, the **Cape Willoughby Lighthouse**. Being the first lighthouse to be built in South Australia, it has a rich maritime history and spectacular panoramic views across the Backstairs Passage from the top of the lighthouse. There are 101 steps to navigate to the top if you wish, but the view from the ground is also pretty with excellent views of the remote island coastline. Our majestic views don't end here as we have arranged lunch at **False Cape Winery**, with views over the vineyard. The wines are made from produce sustainable fruit with high levels of intensity, flavour and love. Leaving here we have the rest of the afternoon free at leisure to explore Kingscote. Breakfast and dinner at the hotel | Lunch at False Cape Winery **Aurora Ozone Hotel, Kingscote** | 08 8553 2011 | 3 nights

DAY 3 THE ZOO WITHOUT FENCES

Friday 28 October 2022

There are two major wildlife areas we have planned to visit today – **Seal Bay** and the **Flinders Chase National Park**. Our locally based guide will join us on the coach as we travel to the famous **Seal Bay** for a chance to walk on the beach amongst the colony of **Australian Sea Lions** who live here all year round. It is an unforgettable experience to be guided by a National Parks Ranger, along the beach, within metres of the bulls, cows and sea pups as they rest on the beach. An unforgettable experience. Leaving here we head to the **Parndana Hotel** for a wine tasting followed by lunch. This afternoon we head towards the south western end of Kangaroo Island to discover all the **Flinders Chase National Park** has to offer – the Remarkable Rocks, Cape du Couedic and Admirals Arch where, via a spectacular board walk, we can see close up a colony of **New Zealand Fur Seals** who live in the sea and the rocks just below us. It will be a day of remarkable experiences. Breakfast and dinner in hotel | lunch at Parndana Hotel

DAY 4 ANIMALS AND DELIGHTS Saturday 29 October 2022

This morning we make our way via Cygnet River to beautiful **Emu Bay**. Visit the **Lavender Farm** which eventuated from the dreams of its owners Maria and Tony when looking to diversify their property. They now have a viable venture that gives great pleasure to those who visit. We'll be given an informative **talk** and offered some **lavender ice-cream!** What a day of truly exceptional wildlife and island experiences. From here we are in for another treat at the **Raptor Domain** followed by a wonderful **Birds of Prey** show, an interactive and inspiring experience. This afternoon we visit a couple of unique Kangaroo Island ventures – the first one is **Emu Ridge Eucalyptus Distillery** where we take a product tour including the benefits of Eucalyptus and enjoy a BBQ lunch here. Next we visit **Clifford's Honey Farm** – home to Kangaroo Island's own population of Ligurian bees which are the only pure strain in the world producing 10,000 kilograms of delectable honey each year. The bees were imported in 12 hives from the Italian province of Liguria in the 1880s, and remain protected from other breeds of bee by the island's isolation. After another great day, we return to our hotel for dinner. Breakfast and dinner in hotel | lunch at Emu Ridge Eucalyptus Distillery

DAY 5 KANGAROO ISLAND TO ADELAIDE Sunday 30 October 2022

This morning we retrace our steps to Penneshaw to connect with the mid-morning ferry service to Cape Jervis. Once back on the mainland, we travel through to the seaside suburb of Glenelg. Lots of shops to wander through and to purchase lunch why not treat yourself to an ice-cream and walk the jetty. We make a time to meet and return to our hotel for the final night on tour together.
